

AMENDMENT

In the Specification:

Please amend the Specification as follows:

Please add, beginning at page 1, after the title at line 1, the following new section: Cross-References to Related Applications.

This document is submitted, pursuant to 35 U.S.C. § 371, as the National Stage of International Application (WO 2004/021455A1) filed 21 August 2003, which in turn has already properly claimed priority to German Application (102 39 845.3) filed 29 August 2002.

Please add, beginning at page 1, after the section for Cross-References to Related Applications, the following new section heading: Background of the Invention.

Please add, beginning at page 2, before the third full paragraph that begins, “An objective of the invention is therefore to provide for an electrode...” the following new section heading: Brief Summary of Invention.

Please add, beginning at page 4, before the sixth full paragraph that begins, “In the following, the invention is explained in more detail by the embodiments illustrated in the drawings,” the following new section heading: Brief Description of the Several Views of the Drawings.

Please add, beginning at page 6, before the first full paragraph that begins, “Fig. 1 shows a semiconductor structure S, for example Silicon,” the following new section heading: Detailed Description of the Invention.
